## APRIL 2022

*Strengthening Communities,  
Neighbor to Neighbor!*

## Youth Savings Month

April is Youth Savings Month.

We are launching a financial literacy program for our youngest members.

New youth accounts will leave with a gift, their own membership card, and access to financial resources geared specifically for their age and learning ability.

Latah Credit Union has financial literacy resources available through our partnership with Balance, a financial counseling service. This is accessible to all ages through our Latahcu.coop website under the Education & Planning tab. Choose the Balance Financial Counseling option, click the [Balance](#) hyperlink, and you will be directed to the Balance Financial Wellness site. Once there, you can access the Elements Of Money Youth Program, or the M3 Money Club Youth Program.

The Elements of Money program is specifically designed for teens ages 13-17. The program offers financial literacy through articles, podcasts, social media programs, a quarterly newsletter and quarterly incentives/challenges to earn prizes or scholarships.

The M3 Money Club is an exciting and fun way for our youngest members, up to 12 years of age, to learn more about saving and spending wisely. Children will be able to access games, comic strips, print color pages, and follow the Superhero characters; Cash and Violet, as they battle the Evil Dr. Spendit who tries to get them to spend their money unwisely!

## Viv Coy Retirement

Congratulations on your retirement!  
Viv Coy retired on March 1, 2022, after 27 years of service with the credit union. Thank you Viv for all you have done for the credit union. We wish you the best.
