## Campus Branch Closing

On July 2, 1969, seven U of I employees started the University of Idaho Federal Credit Union. Working in a small room on campus they took turns working lunch hours and an hour after work. As the Credit Union grew, the location changed to the SUB, and then to the Commons, now known as ISUB. For 52 years we have had a presence on the campus where our roots began.

In 2021, The University of Idaho has decided not to extend the lease at the current location, and no other location is available on campus to rent. We are saddened to announce that we will be closing the campus branch effective November 19, 2021. Join us for cookies from 9:30 am to 1:30 pm. It has been our pleasure to be part of the University family. The ties with our original charter remain strong as we continue serving from our main branch in downtown Moscow, as well as our branches in Potlatch, Kendrick and Plummer.

## Expansion

The property expansion is progressing on schedule. In the next few months you will see some temporary closures of the Lewis St entrance to the alley. Please use the Spotswood entrance. Dates will be posted on the reader board and in the branch prior to the closure. We appreciate your cooperation through this process. We are looking forward to re-opening expanded member access from the north parking lot, additional parking, and the much needed staff office space now and for future growth.

## Changes To Fee Schedule

Beginning November 1, 2021, fees for Small Business and Back to Business Checking accounts will be increasing. Please refer to our website, [www.latahcu.coop](http://www.latahcu.coop) for the updated listing under Services and Tools.
